

Bahria University College of Medicine, Islamabad

Annual Calendar of Research Activities

January 2025 - January 2026

January 2025

- **1st Week:**
 - **Workshop:** Research Methodologies and Grant Writing for Faculty
 - **Call for Research Proposals:** Submission Deadline for Phase-1 Projects
 - **2nd Week:**
 - **Student Seminar:** Introduction to Research Elective Projects
 - **3rd Week:**
 - **Research Committee Meeting:** Review of Submitted Proposals
 - **4th Week:**
 - **Workshop:** Ethical Guidelines in Medical Research
-

February 2025

- **1st Week:**
 - **Announcement:** Approved Research Elective Projects
 - **2nd Week:**
 - **Student Training:** Literature Review and Research Question Formulation
 - **3rd Week:**
 - **Workshop:** Data Collection and Management Techniques
 - **4th Week:**
 - **Student Workshop:** SPSS and Statistical Analysis
-

March 2025

- **1st Week:**
 - **Workshop:** Writing for Scientific Journals
 - **2nd Week:**
 - **Seminar:** Case Studies in Evidence-Based Medicine
 - **3rd Week:**
 - **Faculty Development Program:** Advanced Research Techniques
 - **4th Week:**
 - **Research Presentation:** Mid-Project Progress Reports
-

April 2025

- **1st Week:**
 - **Workshop:** Research Ethics and Governance
 - **2nd Week:**
 - **Student Workshop:** Systematic Reviews and Meta-Analysis
 - **3rd Week:**
 - **Guest Lecture:** Innovations in Medical Research
 - **4th Week:**
 - **Panel Discussion:** Future Trends in Medical Research
-

May 2025

- **1st Week:**
 - **Workshop:** Qualitative Research Methods
 - **2nd Week:**
 - **Student Training:** Data Visualization and Interpretation
 - **3rd Week:**
 - **Seminar:** Bioethics in Medical Research
 - **4th Week:**
 - **Research Presentation:** End-of-Project Reports
-

June 2025

- **1st Week:**
 - **Workshop:** Effective Research Communication Skills
 - **2nd Week:**
 - **Faculty Development Program:** Interdisciplinary Research Approaches
 - **3rd Week:**
 - **Research Symposium:** Faculty and Student Research Presentations
 - **4th Week:**
 - **Research Committee Meeting:** Planning for upcoming Activities
-

July 2025

- **1st Week:**
 - **Workshop:** Systematic Reviews and Meta-Analysis (Advanced)
- **2nd Week:**
 - **Seminar:** Innovative Research in Clinical Practices
- **3rd Week:**
 - **Research Fair:** Exhibition of Student Research Projects
- **4th Week:**
 - **Research Committee Meeting:** Six-monthly Review

August 2025

- **1st Week:**
 - **Welcome Orientation for New Students:** Introduction to Research Opportunities and Resources
- **2nd Week:**
 - **Faculty Workshop:** Research Collaboration and Networking
- **3rd Week:**
 - **Student Seminar:** Translational Research in Medicine
- **4th Week:**
 - **Call for Research Proposals:** Submission Deadline for Phase-2 Research Projects

September 2025

- **1st Week:**
 - **Workshop:** Grant Application Processes
- **2nd Week:**
 - **Student Workshop:** Manuscript Preparation and Submission
- **3rd Week:**
 - **Faculty Workshop:** Leveraging Technology in Research
- **4th Week:**
 - **Research Committee Meeting:** Review of Submitted Proposals

October 2025

- **1st Week:**
 - **Workshop:** Data Management Tools and Techniques
- **2nd Week:**
 - **Student Seminar:** Clinical Trials and Research Studies
- **3rd Week:**
 - **Faculty Development Program:** Advanced Statistical Methods
- **4th Week:**
 - **Research Presentation:** Mid-Project Progress Reports

November 2025

- **1st Week:**
 - **Workshop:** Qualitative Data Analysis
- **2nd Week:**
 - **Student Training:** Advanced SPSS and Data Interpretation
- **3rd Week:**
 - **Seminar:** Ethical Issues in Medical Research
- **4th Week:**

- **Panel Discussion:** Research and Public Health Policy
-

December 2025

- **1st Week:**
 - **Workshop:** Publishing in High-Impact Journals
 - **2nd Week:**
 - **Research Symposium:** Fall Semester Research Presentations
 - **3rd Week:**
 - **Research Committee Meeting:** Review and Planning for Next Year
 - **4th Week:**
 - **Holiday Break:** Reflecting on Research Achievements
-

Parallel Activities

- **Monthly Journal Club:** Discussing Recent Research Publications
- **Weekly Research Group Meetings:** For Ongoing Project Discussions
- **Quarterly Newsletters:** Updates on Research Activities and Opportunities

Special Events

- **Annual Research Day:** Celebration of Research Achievements with Awards and Recognitions
- **Invited Lectures:** Throughout the Year Featuring Renowned Researchers and Experts
