Dear Student,

السلام عليكم ورحمة الله وبركاته

Congratulations! For your well contemplated decision about choosing Bahria University Islamabad Campus as an institution to accomplish your further academic pursuits. I am pleased to welcome you upon joining Bahria University family.

Bahria University is a multi-campus institution of higher education where more than 13000 national and international students are pursuing their educational careers in diverse disciplines. We constantly monitor and upgrade our facilities and update the curricula to keep pace with emerging trends and technologies. We also provide career services, leadership development and similar programme for complete growth of our students.

We coordinate and provide facilities for exchange of knowledge and applied research in newly emerging fields in collaboration with national and international universities and research institutions. The concrete connection of research and teaching guarantees a high quality of learning. We offer benefits of intellectual challenges, natural skills and inculcate qualities needed for professional careers and enable our students to achieve full potential as individuals. The knowledge we produce contributes to finding sustainable solutions for global challenges. In recognition of our efforts, Bahria University has been placed in the highest Category-W of universities QEC ranking by HEC.

We are confident that you will continue your high level of academic performance throughout your programme at Bahria University and with commitment to personal educational growth; you will make a valuable contribution to this institution as well as to the Society.

The challenging and emerging contemporary trends across the globe in educational developments demands; besides to be a bookish one should also know how to be empathic and appreciative. Therefore, I wish you to work towards becoming a better human being as well. Counterbalance your studies by taking part in extracurricular opportunities, in tandem with your academic quest.

Your parents/ guardians are also welcome to inquire about your progress in academics or discuss any other matter, by visiting respective Head of Department on Mondays and Thursdays between 1100 to 1200 hours.

Looking forward to meet you on orientation days scheduled from 16-18 September 2020 at Islamabad Campus. Please note that attending the Orientation Session is compulsory. Detailed programme is attached. [\(Click here to view\)](#)
