

# BAHRIA SCHOOL OF PROFESSIONAL PSYCHOLOGY

DISCOVERING  
KNOWLEDGE

## OUR VISION

---

Our objective is to create an environment that fosters a dedication to achieving excellence.

We aspire not only to maintain high standards but also to establish a global standard in teaching, learning, and research, while simultaneously contributing to the development of our nation.

## OUR MISSION

---

To remain dedicated to global excellence in Professional Psychology through high standards in teaching, learning, and research.

## OUR ENDEAVOURS

---

A well being center with a trauma therapy unit, that offers counselling and therapy at very minimal costs to students and staff/faculty.

For more information contact +92 51 9264057, OR Well-Being Center BUIC on Facebook

## PSYCHOLOGY LAB

---

Our Psychology Lab is a modern space equipped with the latest psychological assessment tools, offering training in test administration, psychopathology, learning disabilities, and autism diagnosis. It provides an innovative, hands-on learning environment.
