

# China-SCO Digital Economy Industry Forum E-commerce Seminar

## Invitation Letter

At the 20th meeting of the Heads of State Council of the Shanghai Cooperation Organization on November 10, 2020, CPC General Secretary Xi Jinping announced China would host a China-Shanghai Cooperation Organization forum on digital economy in Chongqing in 2021 to build a platform for innovation and cooperation. In order to thoroughly put into practice the instructions of his important speech, explore the development of digital economy and foster China's new "dual-cycle" pattern of domestic and international development, we have made a deliberate decision that an E-commerce Seminar will be held from **15:30 - 17:30 on August 23** at Chongqing Yuelai International Conference Center, as a side event of the China-SCO Digital Economy Industry Forum.

The E-commerce Seminar of the China-SCO Digital Economy Industry Forum will be jointly hosted by the National Development and Reform Commission, the Ministry of Science and Technology, the Ministry of Industry and Information Technology, the Ministry of Commerce, the SCO Secretariat and the Chongqing Municipal People's Government, with support of the Chongqing Municipal Commission of Commerce and the Secretariat of the SCO Business Council. With the theme of "E-commerce - New Opportunities for International Cooperation", the Seminar will invite more than 150 guests at home and abroad, including renowned experts, scholars, and entrepreneurs in global e-commerce as well as economic and trade cooperation, to discuss trends and achievements in international

e-commerce development, new models and applications of e-commerce, as well as new engines and impetus for economic and trade development and cooperation.

We sincerely invite you to the E-commerce Seminar of the China-SCO Digital Economy Industry Forum.

Chongqing Municipal Commission of Commerce
