Prof. Dr. Mukhtar Ahmed, SI
Chairman

No. 10-01/HEC/Coord/2023/ 298
Tuesday, April 26, 2023

Subject: **Job Fair and Education Expo at Karachi Expo Center - May 04, 2023**

Respected Vice Chancellor/Rector/Head of the Institute

السلام عليكم ورحمة الله وبركاته

The Pakistan Hindu Council in collaboration with Higher Education Commission (HEC) is organizing a job fair at Karachi. The primary objective of the event is to provide a platform for the job seekers to connect with the employers, gain insight into the career opportunities provided by the government and private sector and collect useful information about the job market and employment trends. The event will not only facilitate in providing guidance and support to navigate the job market, offering practical advice on job searching, resume writing, interviewing skills, etc, but will also be a source to build long-term relationships with the industry professionals thus assisting the visitors in making informed decisions.

02. The leading national and multi-national firms are participating in the job fair to foster and recruit new talent and showcase different avenues for career growth and development, from entry-level positions to senior management roles. The participating firms and organizations, through presentations and interactions with the potential candidates intend to attract the best and the brightest talent and offer relevant opportunities towards career progression. A brief proposal containing the details of stalls and the available packages is attached at **Annex-I**.

03. Foregoing in view, it is emphasized that HEIs across the Sindh province may confirm their participation in the upcoming full day job fair being organized at **Hall No. 06 of Expo Center Karachi on Thursday, May 04, 2023**, and reserve a stall to demonstrate their academic and research competencies, innovative projects and products to promote their brands, and attract the industry professionals who may be interested in collaborating or investing in the projects. Additionally, the HEIs may also encourage their faculty and students

Thalassemia Awareness Session

Let's work together to create a world without thalassemia. Thalassemia is an inherited blood disorder affecting hemoglobin production, leading to anemia and other health complications.

On May 16, 2023, at Al Beruni Auditorium, CSP CLUB BUKC hosted a lecture and raised awareness of this fatal condition and also discussed thalassemia, its effects on individuals and families, and cutting-edge treatments.

Honored speakers Mr Zeeshan (Head of Help Thalassemia Care Centre), Ms Nida Iqbal (Marketing Head of HVP), and Mr Adil Ahmed (Founder Member of HIWT) shared their knowledge and thoughts on this crucial subject.

We would like to express our sincere appreciation to all our event participants and speakers for their valuable contributions. Your presence and engagement have made a significant difference in our collective efforts to combat Thalassemia.

BUKC Carnival Event

Dated: 17-05-2023

An explosion of color, music, and laughter swept across our university as the highly anticipated carnival came to life. The energy was palpable as students reveled in a day filled with endless entertainment and enchantment. Mouthwatering aromas wafted through the air as food stalls served up culinary delights. Interesting games were played by students. It was a day where worries melted away, and pure joy took center stage. The memories created at our university carnival will forever be a cherished part of our collegiate journey, reminding us of the power of coming together in celebration.
