COMMUNITY SUPPORT PROGRAM (CSP)
ACTIVITIES FOR THE MONTH OF NOVEMBER 2024

1. Visited to Afzaal Memorial Thalassemia Foundation (AMTF):

The Community Support Program arranged a **visit to Afzaal Memorial Thalassemia Foundation (AMTF)** on **21 November 2024**. It was a comprehensive tour, where we witnessed firsthand the remarkable system they've put in place to provide free treatment to thalassemia patients. We were deeply moved by the warmth and generosity of the AMTF team. Our visit was truly an eye-opening, and we were deeply moved by the resilience of patients battling with thalassemia. Your exceptional facilities and dedication to their care are commendable. May ALLAH s.w.t grant your team a continuous success and strength in serving these courageous children.

2. Visited to JDC old Age Home:

Bahria Business School Bahria University Karachi Campus, organized a visit to “**JDC Old Age Home**” on **22 November 2024** in collaboration with Community Support Program. Where our students spent quality time with the elderly residents. This heartwarming initiative aimed to bridge the gap between generations and foster a sense of community and social responsibility among the students. Through engaging conversations, emotional connections, and shared experiences, the students showed compassion and care for the seniors, making a positive impact on their lives. This visit not only brought joy to the elderly but also instilled valuable lessons of empathy and kindness in the students, contributing to a more caring and supportive community.

3. Awareness Session on Climate Conservation and Plantation drive:

The Community Support Program successfully conducted an insightful session on “**Climate Conversation shaping Tomorrow’s World + Plantation drive**” in collaboration with Humanities and social sciences department (H&SS) on **28 November 2024** at **Al-Beruni Auditorium**.
