

On Nov-ember 26, 2024, NIMA, in collaboration with SSC-BUKC, hosted an enlightening seminar in celebration of World Fisheries Day. The event was a remarkable opportunity to explore the significance of sustainable fisheries and ocean conservation, all while showcasing teamwork, dedication, and excellence.

Under the leadership of Muhammad Sohaib Azmat (Head of Volunteers) and Miss Komal (Senior Associate NIMA), our EMC volunteers once again displayed exceptional professionalism and enthusiasm. Their tireless efforts ensured the event's seamless execution, and their contributions were truly commendable. Overall coverage by **media club**
