## DIRECTOR GENERAL'S MESSAGE

**VICE ADMIRAL (R) ATHER MUKHTAR HI(M)**  
Director General  
Bahria University Health Sciences Karachi

It is a moment of immense pleasure and delight to convey my feelings on the auspicious occasion of 10<sup>th</sup> Convocation. Convocation as we know marks the culmination of education program and beginning of professional career. This year a total of 296 students are passing out from the 11<sup>th</sup> batch of MBBS, 8<sup>th</sup> batch of BDS, 6<sup>th</sup> batch of BS-Nursing, 5<sup>th</sup> batch of MPhil postgraduate, 3<sup>rd</sup> batch of Doctor of Physical Therapy (DPT) and Medical Lab Technology (MLT). It is a major milestone which the graduates have attained through hard work, perseverance and commitment, for which they deserve complements. Here I also wish to congratulate the parents and guardians on this great achievement of their loved ones. My special praise for the medal winners and distinction holders. The positions and distinctions attained by the students speak high about the hard work not only by the students, but untiring efforts put in by the faculty as well.

The young doctors, physical therapist, nurses and medical lab technologists who are about to step into their respective professions must remember that devotion, commitment and sincerity are the keys to successful professional career. While I expect you to excel in the fields you have chosen, I urge you to be passionate towards destitute and weak segment of our society. Since a large population of Pakistan lives in rural areas and are deprived of health care facilities, you must reach out to them at least in the earlier part of your careers and occasionally later on.

Dear graduates, together we have developed BUHSC (K) into a health sciences campus of high repute, which we endeavor to raise to newer heights. In Sha Allah as alumni, it will be your responsibility to carry Bahria University's flag, wherever your career takes you. We also expect you to remain in contact with your parent institute and we will welcome any request for support that you might need. We will also appreciate your valuable input to make up the curriculum short comings, while you are pursuing your careers.

I wish all the graduates, a bright and successful future. May you all stay blessed and safe.

Good Luck!

## DEAN & PRINCIPAL'S MESSAGE (MEDICAL COLLEGE)

MAJ GEN (R) PROF DR SHEHLA M. BAQAI HI(M),  
Principal BUMC and Dean Health Sciences, BU

Congratulations class of 2022! I hope that each one of you takes pride and joy in this achievement and aim to soar to even greater heights. On behalf of the entire BUHS family, I congratulate all students and their parents. This is a milestone in your lives and so is in the history of Bahria University. I am really proud of you and can't wait to see you achieve further excellence. Your hard work and perseverance has led to your success. You have the knowledge and skills; the confidence and compassion; and the capacity for leadership needed to make a difference in the lives of others. I am sure you will bring laurels to the institution. My sincerest congratulations to and deepest appreciation for the proud parents; it would not have been possible without their unwavering support, sacrifice and encouragement.

We at BUHS offer a curriculum which provides not only strong knowledge base, but also incorporates realities of the workplace through integrated, interactive, problem based learning, internships, community visits, workshops, journal clubs and mentorship. Our learner centered program grooms our students to grow into articulate, probing, caring and courteous doctors who are able to express their views cogently and actively listen others, reflecting their strong moral & ethical values.

In a constantly evolving world, I urge you to be willing to swim against the tide into uncharted waters, endeavor to fly high and see far. You must anticipate, adapt to, and shape the course of change and be able to improve life for everyone. Do not forget your hardworking teachers who facilitated taught and mentored you. This is not goodbye. Today, you are joining the Bahria university alumni community – a network of thousands of change agents that span the country, the region, and the world. Your story is part of the University's story, and our vision will find its fulfillment in your achievements. As you chart your unique course in life and progress through your careers, I encourage you to be bold, pursue excellence, be a unifier, look ahead to tomorrow, stand ready to act with honesty, empathy and compassion and make BUHSCK and Pakistan Proud.

The MBBS, BDS and MPhil are honorable and prestigious degrees. They are a charter to practice the science and art of healing. You can impact and improve the lives of many. My best advice to you is to continue to work hard with empathy, compassion, devotion. As you prepare to embark upon your practical journey I urge you to continue with scholarly work and become self-reliant, self-directed lifelong learners; use your award to contribute positively to the community. I wish you success in your future endeavors, and hope to see you shine bright in the world.Ê  
May Allah bless you.

## PRINCIPAL'S MESSAGE (DENTAL COLLEGE)

PROF. KASHIF NAQVI  
Principal Dental College  
Bahria University Health Sciences, Karachi

I am delighted and honored to witness the formal graduation ceremony of 8<sup>th</sup> Batch Class of 2019-2023.

It is a proud moment for our graduating students and their family members.

Today marks a significant milestone in your journey—a day of celebration. But also a day of reflection; reflecting on what you have achieved and reflecting on how you will use this gift for the uplift of not only yourself but also of those around you.

Dentistry is evolving rapidly and embracing technological advancements. I strongly advocate that you embrace lifelong learning—attend conferences, read scientific journals, and collaborate with colleagues. Be open to innovation and adapt to new techniques and tools.

You as healthcare professional, are in a unique privileged position. Don't lose the trust that our patients have in us. Listen attentively, treat them with kindness.

I expect that you will uphold the highest ethical standards. Strive for excellence, but never compromise on honesty and integrity.

You are now part of our ever growing alumni. Keep in touch; you will always be welcome!

Wishing you all successful and rewarding years ahead

## PRINCIPAL'S MESSAGE (BUHS-PGI)

**PROF. DR. NASIM KARIM**  
Principal PGI  
Bahria University Health Sciences Karachi

On the occasion of 10<sup>th</sup> convocation of Bahria University Health Sciences Campus, Karachi (BUHSCK), I convey my sincere felicitations to batch-5 (2021-2023) candidates of MPhil programs in the disciplines of Anatomy, Pathology and Pharmacology and batch-1 (2021-2023), the pioneer batch, candidates of MPhil programs in the disciplines of Physiology and Biochemistry.

You are graduating from one of the prestigious and high ranking universities of Pakistan. Indeed, it is surely a moment of great pride for all of us that is, each one of you, the Bahria University, the Health Sciences Campus and the Postgraduate Institute.

The ceremony of convocation marks the end of academic life and the beginning of professional life. You have achieved this milestone and from today you are the part of medical professional fraternity.

Universities are the sites of creation of new knowledge and its application. This goal is achieved through the postgraduate programs as they contribute towards advancement of health sciences, health, care and wellbeing of the people and communities. Investment in this area surely predicts prosperous future for the healthcare of any society. The conferment of degree expects from you a continuous vigor to enhance standards of teaching, training and research in the realm of basic and applied medical sciences with an approach to always improve the healthcare benefits for the people.

You must remember that the support which has enabled you to earn MPhil degree with pride is your devotion to work hard but mentoring of supervisors and continuous zealous deeds of your parents are the two major contributing pillars of this triad. You must acknowledge these efforts.

We have full faith in your capacities, capabilities and competence as young professionals. We hope that as our ambassadors you will take these values wherever you will go. Once again, we expect that you will contribute the imparted knowledge, skills and research expertise in diverse areas of basic medical sciences and applied fields for attaining and sustaining high educational and research horizons for the nation.

Best wishes to all of you for future endeavors.

## PRINCIPAL'S MESSAGE COLLEGE OF PHYSICAL THERAPY

**Dr. Khalid Aziz**  
Senior Associate Professor  
Principal College of Physical Therapy  
Bahria University Health Sciences Karachi

On behalf of Bahria University and College of Physical Therapy I extend my sincere congratulations to all Health Sciences graduates especially to the graduates of Doctor of Physical Therapy.

Bahria University Health sciences campus is one of the best institutions in Pakistan providing health education in different disciplines as par international standards. The pillars of our program are dedicated and highly qualified faculty with comprehensive learning environment like fully equipped labs, tertiary care hospital for clinical training and purposeful building.

Bahria University College of Physical Therapy was established in 2017. The sole responsibility of DPT graduates is to serve communities and improve the quality of life of impaired persons with empathy, compassion, honesty and integrity. This behaviour towards community and patients leads to enhance the name of profession.

This is also time for your parents to feel proud of themselves as they have successfully helped their children to reach the position they are at and the students must be thankful to their parents. Your choice to select Physical Therapy as a profession is one of the best decision in your life. Physical Therapy is a most emerging and respectable profession worldwide. WHO recognizes Physical Therapy as an independent profession.

Physical Therapy profession demands a great deal from you; your patience, compassion, empathy, hard work, acquisition of knowledge in research and competition with your colleagues as well as among the different health professionals.

Honesty and respect towards ailing community is the backbone of your profession. The high moral character will always be your attribute and customs.

Once again, my heartiest congratulations to all of you and best wishes for success in all your future endeavors.

May ALLAH SWT bless you and make your tasks easy and achievable.

## PRINCIPAL'S MESSAGE (PAKISTAN NAVY NURSING COLLEGE)

**CDR SYEDA AFSHAN**  
Principal  
Pakistan Navy Nursing College  
Bahria University Health Sciences Karachi

I extend my heartfelt congratulations on your graduation from the nursing program. This is a significant achievement that reflects your hard work, dedication, and passion for healthcare. All of your hard work and perseverance have led you to this proud moment in your lives. Chase your dreams never stop trying, learning and live your life to the fullest and give it nothing but your best. You can achieve whatever you want in life. All you have to do is believe in yourself. Nursing is rooted in the needs of humanity. Your journey as a nurse will undoubtedly be filled with moments of joy, fulfillment, and growth as well as challenges that will test your resilience and determination. Remember that you are joining a noble profession that plays a vital role in improving the health and well-being of individuals, families, and communities. Nursing is about being able to help people when they are at their weakest moment. Have the courage to follow your heart and intuition. Nurses have a unique perspective and understanding of how much precious life is. This perspective is a gift. Always remember that you are making a difference everywhere in someone's life no matter how big or small.

I am very confident that you will excel in your chosen field and make a positive impact. Always remember the importance of professionalism, integrity, and kindness in your interaction with your patients, colleagues, and everyone you encounter in your practice. Once again, congratulations on this significant milestone.

I wish that brighter opportunities come to your way. I hope your dreams take you to the corners of your smile to the highest of your hopes, wishes, and ambitions. Journey of life brings both challenges and chances; may you carry your spirit to snatch the chances and beat the challenges. Believe in yourself and your ability to make an impact and to create change. I believe so firmly in the perfect balance of science and art in nursing. My prayers for you are that you invest in yourself and see the value of giving back. Build up your community the best way you can.

## PRINCIPAL'S MESSAGE, ALLIED HEALTH SCIENCES

**DR MEHREEN LATEEF**  
**PRINCIPAL**  
BU College of Allied Health Sciences  
Bahria University Health Sciences, Campus Karachi

On behalf of Bahria University of Health Sciences Karachi Administration, Faculty and Staff, I would like to congratulate our graduates of BS-MLT (Batch - III) Session 2020-2023.

I am certain, as you look back, you will see that there is a long and winding path that has led you to this moment.

We know that our graduating class has overcome extraordinary circumstances as shining batch to forge that path and arrive today as a graduate.

This is a time for all of us to celebrate and honor your accomplishments. As you move forward into your careers and life-long journeys, remember that your path continues, know that you can accomplish anything, and do great things with the knowledge you have acquired.

Remember Graduates, you are forever part of our Bahria College of Allied Health Sciences, Bahria University Health Sciences Community.

Congratulation BS-MLT class 2020-23! May Allah give you all the success in future.

## VICE PRINCIPAL'S MESSAGE (MEDICAL COLLEGE)

**PROF. DR. KHALID MUSTAFA**  
Vice Principal (Medical Section)  
Bahria University Health Sciences Karachi

Congratulations on your achievement in becoming successful doctors from the esteemed Bahria University Health Sciences! Graduating from a medical college is a testament to your unwavering dedication, persistent effort, and relentless pursuit of your goals. While this milestone signifies a significant accomplishment, it also signifies the beginning of a journey that still stretches ahead. Always bear in mind the importance of serving your country and community, offering your best regardless of differences in caste, color, or creed.

The essence of medical education lies in equipping oneself with the necessary knowledge, skills, and attitudes to become proficient medical professionals. As doctors, it is imperative to uphold exemplary character and ethical standards. Dedicate yourselves wholeheartedly to your profession, as this phase marks the inception of your professional journey, where your attitude will shape your trajectory and serve as a remedy in real-life scenarios.

I earnestly hope that each of you will continue to pursue learning, honing your skills, and striving for academic excellence in your respective areas of interest within the medical field

## VICE PRINCIPAL'S MESSAGE (DENTAL COLLEGE)

**PROF. DR. SHAMA ASGHAR**  
Vice Principal Dental College  
Bahria University Health Sciences Karachi

Today I want to congratulate our 8<sup>th</sup> batch of dental graduates (2019-2023). It is a special day not only for us but also for parents to see their children becoming doctors. It is a celebration of the culmination of 4 years of study, struggle, and hard work. On this day, you will be awarded BDS degree and will become a part of the global dental community. Dentistry is an art and science and a lifetime commitment to serve the humanity with patience, empathy and knowledge that has been inculcated into you over the period of all these years. We hope it will be an occasion that you will cherish for the rest of your lives.

It is also an extra ordinary day for the parents, families and friends of the graduates. The achievement of BDS degree was not possible without the support of those nearest to you. BUDC is proud of its dental graduates and we hope you are equally proud to become part of Bahria University Alumni. At BUDC, we have facilitated you in understanding dental sciences and taught you the skills which you will need in your dental practice. However, constant research and keeping yourself scientifically equipped in the need of today's world and we expect the dental graduates to be lifelong learners. We hope you will take confidence from the long history of Bahria University graduates that have gone on to great success in life. We also hope you will remember your time here as being some of the happiest years of your life.

On behalf of entire Dental College faculty and staff I wish you every success for the life ahead.

## CHAIRMAN PUBLICATION COMMITTEE'S MESSAGE

**PROF. DR. IQBAL HUSSAIN UDAIPURWALA**  
Chairman Publication Committee  
Head Of ENT Department  
Bahria University Health Sciences Karachi

Congratulations to all the passing out graduates and post-graduates in 10th convocation of Bahria University Health Sciences Campus, Karachi. This year one batch of MBBS, BDS, BS (Nursing), M.Phil, DPT and BS-MIT are passing out from BUHS. As you all know, convocation is a very special and distinct occasion in the life of every graduate and post-graduates and actually in real sense it is the start of your practical life ahead. All fields of medical and health sciences are very demanding in term of time, efforts and struggle. It demands patience, tolerance, compassion, empathy, hard work, research and lifelong learning. Once Albert Einstein said "learning is not a product of schooling but the lifelong attempt to acquire it". Lifelong learning is the only key to success so make yourself a lifelong learner.

On this auspicious occasion I would also like to appraise and acknowledge the efforts and sacrifices done by your parents in term of finance, time and prayers to make your dream a reality. This is the time your parents must feel proud of themselves and you should excel in your field in future to keep their proudness active.

It is a matter of great honor and privilege to be a part of the team which has succeeded in organizing this spectacular and marvelous 10th Convocation of Bahria University Health Sciences campus, Karachi. I am writing these lines with great feeling of gratification and accomplishment as the last portion of this souvenir is ready for publication. In publication of this souvenir we have not only maintained the high standard and values of the past but have introduced new ideas with the hope that readers will appreciate it. I would be failing in my duties if I did not mention about the efforts taken by all the members of the publication committee.

Finally, I wish all the degree receiving students a gigantic and enormous success in their professional life ahead.  
*Ameen!*
