April 2024

Alumni Speaker Session

In April 2024, the BUHSC Student Support Centre (SSC) organized an Alumni Speaker Session took place on 05 April 2024, featuring **Dr. Faiza Hashim Soomro**, a distinguished alumna from the 1st batch of MBBS at BUHSC. This event aimed to inspire current students and alumni by showcasing the achievements and contributions of notable alumni in the medical field.

Dr. Soomro is a remarkable figure in surgery, with a specialized focus on **hepatopancreatic biliary surgery and liver transplantation**. Her journey in medicine exemplifies relentless pursuit of excellence and unwavering dedication to her profession.

Dr. Soomro has demonstrated exceptional leadership throughout her career, actively engaging in various academic and leadership roles during her training and residencies in both Pakistan and the UK.

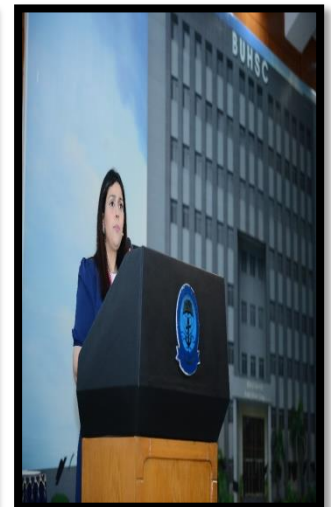

She has played a pivotal role in developing curricula and educational programs, notably the **Bariatric Surgery Fellowship program** and the **Bailey Club** for continuous medical education.

Despite facing significant personal health challenges, including her own battle with a **neuroendocrine tumor**, Dr. Soomro's passion for surgery has remained undiminished, highlighting her resilience and dedication to her field.

Dr. Soomro's scholarly contributions include multiple publications and presentations at international conferences, along with notable recognitions, such as receiving a **Gold Medal** for her exemplary work in the medical field.

This speaker session serves as a powerful platform for motivating current students and alumni, emphasizing the importance of perseverance, leadership, and commitment to professional growth.

The First-Ever Alumni Speaker Session was a resounding success, reinforcing the value of alumni engagement and showcasing the impactful contributions of BUHSC graduates to the medical community.

Jan to June 2024

Alumni Queries Handled

Since January 2024, the BUHSC has actively managed alumni queries and distributed a total of **128 certificates** across various categories. This initiative is crucial in providing ongoing support to alumni and facilitating their professional journeys.

Certificate Distribution Summary:

S.No	Documents Category	No.of Queries
01	NOC for House job	44
02	Medical Student Performance Evaluation (MSPE) through concern Principal	4
03	English Proficiency Certificates	10
04	Character Certificate	54
05	Bonafide Certificate	2
06	Documents of Verification	6
07	ECFMG Verification	1
08	Letter of Recommendation	2
09	Credit Hour's Certificate	4
10	Gold medal issue	1
	Total	128

The highest volume of queries was for **Character Certificates (54)**, reflecting a strong demand for documentation to support further studies and job applications.

NOC for House Jobs (44) also shows significant interest from alumni entering the workforce, emphasizing the need for formal employment documentation.

Other categories, such as **English Proficiency Certificates and Medical Student Performance Evaluations**, indicate the diverse needs of the alumni community.

Efficiently managing these queries ensures that alumni receive the necessary documentation to advance their careers and educational pursuits. This support fosters a positive relationship between the alumni and the university.

The proactive approach in handling alumni queries and distributing certificates since January 2024 demonstrates BUHSC's commitment to supporting its graduates and promoting their ongoing success.

May 2024

Alumni Card Distribution

On May 25, 2024, during the convocation dinner, alumni cards were distributed for the first time to all graduates, marking a significant milestone in their formal induction into the BUHSC alumni community.

Each graduate received their alumni card during the 10th convocation dinner, symbolizing their entry into a vibrant and supportive alumni network.

The alumni card serves as an important credential, granting graduates access to a variety of **exclusive benefits, events, and networking opportunities** within the BUHSC community.

This initiative not only strengthens the connection between the university and its graduates but also promotes ongoing engagement and collaboration among alumni. The distribution of alumni cards during the convocation day was a proud moment for both the graduates and the university, setting the stage for a strong and united alumni network moving forward.

May 2024

Club Certificates Distributions among Alumni

During the convocation dinner on May 25, 2024, certificates of appreciation were awarded to alumni who served as President and Vice President of the Students' Club in 2023. This recognition is a testament to their leadership and contributions to the university community.

The certificates were presented by the honorable **Director General BUHSC**, who commended the recipients for their dedication, hard work, and positive impact on campus life.

The award presentation took place in front of a gathering of graduates, faculty, and distinguished guests, emphasizing the significance of leadership within the student community.

This ceremony underscored the value of student leadership and encouraged future graduates to actively participate in university organizations. Recognizing these alumni highlights the essential role they play in fostering a vibrant and inclusive campus environment.

The awardees were applauded for their efforts in enhancing the overall student experience, promoting collaboration, and supporting initiatives that benefit their peers.

The awarding of certificates of appreciation during the convocation dinner served as a proud moment for the BUHSC community, celebrating outstanding leadership and inspiring future students to engage actively in university life.

June 2024

Alumni analysis Survey

The alumni survey was conducted to assess the quality of the academic program at BUHSC. The insights gained from this survey are intended to help the university enhance its educational offerings and support services for current and future students.

Key Sections of the Questionnaire:

1. **Knowledge:** Evaluating the depth and breadth of knowledge acquired by alumni during their studies.
2. **Communication Skills:** Assessing the effectiveness of the program in developing strong communication skills.
3. **Interpersonal Skills:** Measuring the ability of alumni to interact effectively with peers, faculty, and professionals.
4. **Management/Leadership Skills:** Gauging the development of management and leadership capabilities among graduates.
5. **Career Opportunities / Counseling Provided by the Department / University Department Status:** Analyzing the support provided by the university in terms of career counseling and opportunities for professional growth.
6. **General Comments:** Collecting open-ended feedback and suggestions from alumni to identify areas for improvement.

The survey was administered through a Google Form and was completed by **100 graduates of 2023**. The alumni questionnaire included comprehensive criteria to gather detailed feedback on various aspects of the academic and support services provided by the university.

The alumni analysis survey is a crucial tool for BUHSC to continuously improve its academic programs and support services. The feedback provided by the graduates of 2023 will be instrumental in shaping the future direction of the university, ensuring that it meets the evolving needs of its students and alumni.
