10TH Convocation 2024 of BUHSC

The 10th convocation of BUHSC was held on 25th May 2024 in two sessions. Honorable Chief of Naval Staff, Admiral Naveed Ashraf NI (M), TBt, graced the occasion as Chief Guest in session II. Rector BU, Vice Admiral (R) Asif Khaliq HI (M), was the chief guest in session I. 143 graduates of 11th batch MBBS had been awarded degrees in session II while 18 graduates of M Phil, 37 BDS, 45 DPT, 13 MLT and 25 Nursing students were awarded degrees in session I. Both sessions were attended by the graduates along with their parents/guardians and eminent senior faculty members of other educational institutes. Both the sessions were followed by signing-out ceremony. On the same day for the graduates a post-convocation dinner had been arranged in which the students enjoyed their evening along with the faculty members.

Young Gynecologist Award (YGA) and the Community Fellowship Program (CFP) Awarded to BUHSCK Faculty member

Dr. Samia Ghulam Muhammad was thrilled to share that she was recently nominated by our society of Obstetrics and Gynecology for two prestigious honors: The Young Gynecologist Award (YGA) and the Community Fellowship Program (CFP). The YGA recognizes promising young gynecologists like her by providing the opportunity to attend the congress of the Asia and Oceania Federation of Obstetrics and Gynecology (AOFOG).

She also had the privilege of participating in the CFP from May 12th to 16th. This program brought together 16 doctors from 16 member countries of Asia and Oceania. During this program, the participants gained insights into the various advanced healthcare systems of Korea and their innovative medical education programs.

Research and ANATCON 2024 - Participation of Department of Anatomy

1. A pre-conference ANATCON-24 Workshop on 'Tissue Processing and Staining' was conducted at Bahria University Health Sciences, Campus, Karachi on 24th April 2024 from 9:00am to 01:00pm.. The workshop was attended by senior and junior faculty and students from Bahria University Health Sciences, Campus, Karachi along with participants from Jinnah Sindh Medical University and UnitedMedical and Dental College. The facilitators of workshop included Prof. Dr Tasneem Fatima, Prof. Dr Aisha Qamar, Dr Quratulain Javaid and Dr Ayesha Saba Naz.

2. Department of Anatomy participated in international conference of Anatomy, ANATCON 2024, held in collaboration of Anatomical society of Pakistan and Fazaia Ruth Pfao Medical college, Karachi. In Poster presentation, our Associate professor, Dr. Ayesha Saba Naz participated, whereas paper presentation was participated by Dr. Ayesha Saba Naz and Dr. Samia Khalid, Assistant professor in the department. Dr. Ayesha Saba Naz was awarded 2nd position in the poster competition, indeed a great moment for the college, as among 8 medical colleges of Karachi, she secured this position.

3. Our faculty, Dr Quratulain Javaid's research based poster titled 'Context-Mechanism-Outcome Configuration/ Conceptual Framework on Realist evaluation model AKU-MC' was presented in 6th DED Educational Research Day, on 18th April 2024 at Aga Khan University and it was awarded the best poster presentation.

Alumni Speaker Session

Alumni speaker session was organized by SSC on 5th of April at Ibn-e-Seena auditorium on the topic of "how to enhance career portfolio". Dr. Faiza Hashim Soomro is from the 1st Batch MBBS, BUHSC, working in Royal College of England. She has done her training and residencies, both in Pakistan and the UK. Notably, her contributions to the development of curriculum and educational programs, such as the Bariatric Surgery Fellowship program and the Bailey Club for continuous medical education, underscore her commitment to the advancement of her field.

Activities of BU College of Physical Therapy

4. It is with great honor that we announce that Prof. Dr. Khalid Aziz, the esteemed Principal of the College of Physical Therapy, has been selected by the Higher Education Commission (HEC) to serve as a distinguished member of the national curriculum development committee for the Doctor of Physical Therapy (DPT) program. This prestigious appointment recognizes Dr. Aziz's expertise and contributions to the field of physical therapy. The committee will convene in Lahore on May 13-14, 2024, to shape the future of physical therapy education in Pakistan, and Dr. Aziz's participation will undoubtedly enrich the discussion and outcome.

Activities of BU College of Allied Health Sciences

1. Bahria University College of Allied Health Sciences, organized a two-day workshop on "Research Proposal Writing: Strategies to Secure Research Grants" led by Professor Dr. Anwar Ali Siddiqui. Over 50 participants from various disciplines attended the workshop. Participants lauded the workshop's impact on their ability to formulate strong proposals and secure funding for future scientific endeavors.

2. Dr. Mehreen Lateef, Principal of Bahria University College of Allied Health Sciences, have been selected by Sindh HEC to participate in the 2nd module of the 1st National Certified Reviewers' Training (NCR) program organized by the Sindh Higher Education Commission (SHEC) after successfully completing its 1st module last year.

BUHSCK Participation in Inter University Championship, "Sports Blitz"

Students of BUHSC had been registered to participated in the Sports Blitz inter-University Championship at the Institute of Business Management (IBM), held from Monday to Wednesday, 22 to 24 April 2024, at the IBM Campus Korangi Creek. Participants who previously participated and won prizes at other universities have been selected for selected sports for the said event This participation was a valuable opportunity for BUHSC students to showcase their talents.

Activities of Dean BUHSCK

Honorable Dean and Principal BUMC, Maj. Gen Prof. Dr. Shehla Baqai remained eminent in various educational and research events

1. She had been invited as a panelist SOGP SYMPOSIUM on Adolescent Gynaecology 1st May 2024
2. She had been invited as a keynote speaker at FIGO & SOGP session at Hyderabad 5th May 2024
3. Invited as Panelist and speaker for two sessions at Healthcare Expo seminar on Holistic Health and Preventing NCDs on Thursday, 23 May 2024
4. Invited at Ziauddin University 27th May at launch of MCH Centre

BUHSC Students Visit to Saylani Thalassemia Centre

Bahria University Health Sciences Campus Karachi, Community Support Program (CSP) Club, organized a student's visit to Saylani Thalassemia Centre as a part of CSP Activity. Students from Bahria University Health Sciences Campus Karachi visited Saylani Thalassemia Centre on 27 April 2024. The main purpose of the visit was to provide students with firsthand exposure to thalassemia management practices fostering a deeper understanding of healthcare.

Blood Donation Drive at BUHSC

In a remarkable display of compassion and solidarity, Bahria University Health Sciences Campus, Community Support Program, (CSP) Club orchestrated a Blood Donation Drive in collaboration with Saylani Welfare International Trust (SWIT). The event aimed to gather essential blood supplies for individuals grappling with Thalassemia. Students of BUHSC, driven by a shared commitment to serve their community, wholeheartedly participated in this noble cause. More than 200 individuals registered their willingness to donate blood.

Student Research Forum (SRF) Contributions at SIMPACT Conference

The Student Research Forum (SRF) had a remarkable presence at the SIMPACT 2024 conference at Aga Khan University (AKU), a two-day event featuring insightful workshops and impressive research presentations. On the first day, participants engaged in hands-on workshops across various medical specialties, including dermatology, laparoscopic skills, and neonatal resuscitation, conducted by field specialists who provided valuable tips and practical experience. The day concluded with an exciting escape room activity, a traditional dastan-goi performance, and a formal dinner. The second day focused on abstract presentations, where SRF members showcased their research with three impactful oral presentations: The presentations were evaluated by an esteemed panel of judges, including Maj. Gen. (R) Shehla Baqai, Dean of BUHSC, and Dr. Khalid Mustafa, Vice Principal. Their presence was not just a mark of prestige but also a source of great encouragement and motivation, underscoring the importance of the student's work and achievements and inspiring them to continue their research endeavors.
