Corporate Advisory Committee (CAC)

The Corporate Advisory Committee (CAC) of Bahria University Law School is a distinguished body composed of legal experts, industry leaders, professionals, and alumni who contribute their expertise, insights, and guidance to the strategic development and enhancement of the Law School's programs, initiatives, and overall direction. The CAC plays a vital role in ensuring that the Law School remains aligned with industry trends, fosters practical skills, and maintains its reputation for academic excellence. The primary purpose of the Corporate Advisory Committee is to provide strategic advice and recommendations to the Law School's leadership based on their collective industry knowledge and experience. The CAC aims to bridge the gap between academia and the legal profession, ensuring that the Law School's programs are relevant, innovative, and responsive to the evolving needs of the legal landscape.

The Corporate Advisory Council consists of a select group of legal luminaries, including:

- Prominent legal practitioners from leading law firms.
- In-house counsel from corporate entities and government agencies.
- Distinguished alumni who have excelled in various legal fields.
- Experts in specialized legal domains relevant to the Law School's programs.
- Notable figures from the judiciary, international organizations, and academia.

The Corporate Advisory Committee of Bahria University Law School serves as a crucial bridge between academic pursuits and real-world legal practice, ensuring that the school’s programs are relevant, innovative, and aligned with the evolving needs of the legal profession.
