

ALUMNI AFFAIRS-IPP

Alumni Activities:

We had a successful monthly alumni association meeting at Bahria University Karachi campus on April 27, 2024! It was great to see so many familiar faces and discuss exciting plans for our alumni community.

A big thank you to everyone who attended the meeting, including the SSC manager, Assistant manager of alumni affairs, Alumni Coordinator IPP, Placement officer, President, Vice president, General Secretary, and Fundraising manager of the Alumni association.

During the meeting, we had productive discussions on the future betterment of our alumni. Topics included networking opportunities, career development initiatives, and ways to strengthen our alumni community.

We're excited to implement the ideas discussed at the meeting, including organizing more networking events, enhancing career services for alumni, and increasing alumni engagement through social media and other platforms.
